

Help Us Fill Our Loose Part Treasure Chest with GOLD!!!

Hello!

We are collecting GOLDEN loose parts! (Well...the children will use them for golden opportunities for learning, even if they just LOOK gold-ish!). See how many golden "junk" items you can find with your child in your home and then bring them in for us to create magic with! One, two...or a hundred: the fun is in searching and sharing! Thank you!

Here's a list to get you thinking. But use your own imaginations and bring in anything that is golden!
